- ◆ We provide support for people suffering from Alzheimer's and other forms of dementia and also support carers, friends and families and those who have lost someone with dementia.
- ◆ Attendance is free, with each session aiming to provide you with professional advice, gentle exercise to music and fun activities in a social atmosphere served with tea, coffee and cakes. A GP is also available to answer any medical concerns.

"Dementia Club UK has given care, advice and fun activities to over 13,500 people in London and above all given them hope"
